Dear Friends,

Following the spread of the novel Coronavirus 19 (COVID-19), we are sad to announce few changes into the FIM Touring 2020 Calendar as follows:

IMN	Event	Dates	Venue	FMN	Decision
603/01	1000Km Lakes and Volcanoes	12-15/03	Pucón, Chile	FMC	Cancelled
602/03	44 Volta Internacional de Mallorca	18-19/04	Palma de Mallorca, Spain	RFME	Postponed in October 2020

The organisers and the National Motorcycling Federations, together with the FIM and the Touring & Leisure Commission are concerned about the safety of participants, volunteers and passionate motorcyclists that allow our events to be at the highest level of organisation and touristic and cultural contents. That is why we comply with the indications provided by the National governments and we constantly monitor the situation in order to provide our participants with the most up to date information for the safety of all.

The new dates for the event “44 Volta Internacional de Mallorca” will be announced soon.
